

POWERBUY

Welcome to the Fisher Scientific Biotech PowerBuy Program!

March 28, 2013

Precision Toxicology,

You are now part of Fisher Scientific's members only program specifically designed for the needs of our biotech customers. PowerBuy goes beyond choice of products to offer you access to customized benefits focused on you so you can focus on science. We understand your challenges and your growth is our priority.

From a wealth of exclusive cost savings opportunities to free shipping, waived minimum/return fees and extended credit, we bring you a full range of benefits to assure you can get results faster and more efficiently as effective capital deployment is critical. If you are not aware of your full range of benefits, please contact your local sales representative to find out more how we can help you to develop a solution set for your strategic imperatives.

As of receipt of this e-mail, your account has been fully activated and you can begin ordering using your PowerBuy member pricing and benefits.

Your account information is as follows:

Account Number: **042648-001**
Activation Date: **March 28, 2013**

Fisher Research Sales Rep: **Matt Flores**
Email: **Matt.Flores@thermofisher.com**

PowerBuy Dedicated Customer Service Team: **1-866-331-8478**

Thank you for joining. We look forward to providing you the speed, service, and savings critical to your operations. If you have questions, please contact your local representative listed above or email questions to PowerBuy@thermofisher.com.

Sincerely,

PowerBuy Program Manager
